How to find us

From the airport take the second exit from the Tom Adams roundabout joining Highway 2A. Continue straight on the highway passing through four roundabouts until you arrive at the traffic lights in Wildey.

Take a right at the traffic lights, next to the Shell gas station, and continue on the highway passing two more sets of traffic lights and five more roundabouts until you arrive at the Darcy Scott roundabout in Warrens.

Take a right turn at this roundabout going North, passing Simpson Motors on the right, and through one set of traffic lights next to the shell gas station on the left until you come to the Lawrence Johnson roundabout next to St. Thomas Parish Church.

Exit Highway 2A at this point by turning left at this roundabout and continue until you arrive at the intersection with Highway 1 in Holetown. Make a right at this junction passing the "Lime Grove" complex on the right and continue North approximately 3km, passing Glitter Bay and Fairmont Royal Pavilion on the left.

Continue along this road until you reach the Barbados Fire Station, Weston Fish Market and John Moore Bar, Camden Nook is the white 7th house tucked away on the left, after the John Moore Bar and next to a property called Caprice.
